

Scientific program

Registration

17:00 - 19:00 Sunday, August 28

Location: Pardubice Chateau, Zámek 2, 530 02 Pardubice

Please wear your GTL2016 badges for attending the scientific and social program.

Lectures and Oral Communications

Location: Lecture Hall H1, Faculty of Electrical Engineering and Informatics, University of Pardubice, náměstí Čs. legií 565, 530 02 Pardubice

The official language of GTL2016 is English. The following time frames (including time for questions and discussion) are allocated:

- Plenary Lectures: 50 min
- Invited Lectures: 30 min
- Keynote Lectures: 30 min
- Oral Communications: 20 min

Please help to keep our conference program on schedule by strictly staying within these time limits.

The lecture hall is equipped with laptop computer and multimedia box running Windows 7 and PowerPoint 2010 and higher (recommended presentation resolution 16:9 or 4:3). Our GTL2016 team will gladly assist you with any technical questions regarding your presentation. We encourage you to deliver your presentation files on a USB memory stick at the latest during the break preceding the presentation, so you got the chance to test your presentation under the local hard- and software conditions. In case you would like to use your personal computer, please make sure to take additional time to test it on site.

With respect to the authorship of all presentations, use of any audio/visual recording devices is strictly prohibited!

Poster Presentations

18:00 - 20:00 Monday, August 29

Location: Faculty of Electrical Engineering and Informatics, University of Pardubice, náměstí Čs. legií 565, 530 02 Pardubice

Mounting of posters will be possible on Monday from 8:00 to 17:00. Our GTL2016 team will help you find your designated poster spot and will provide mounting material as well as assistance. We kindly ask you to be available for discussion of your presented work from 18:00 to 20:00. Please remove your poster at the end of the poster session!

Refreshment will be served during the Poster Session.

Wi-Fi/PC room

Complimentary Wi-Fi connection and computers with internet connection in the separate PC room will be offered to you at the GTL2016 conference site.
